

Deputy Director
for Administration

DDA 85-1965

NOTE FOR: Acting Director of Logistics

SUBJECT: MOU with FEMA

STAT

I have discussed this proposal with DDCI, and we are both against it. We would like to help FEMA but this is a domestic problem and has nothing to do with intelligence. There is no problem telling them how to go about it, i.e., get a contractor to do their leasing, etc., but otherwise no CIA involvement.
